***October is Domestic Violence Awareness Month.***

***The Labyrinth is an annual event sponsored by the Family Shelter and the JPIC Office-Wheaton Franciscans. We invite everyone to join us to walk in solidarity with those who have experienced domestic violence. The walk promotes mediation, balance, peace and community-building, and is open to everyone. Family Shelter will provide a local perspective on violence, while JPIC will provide a global view. Come demonstrate compassion and support for the journeys of those confronting and healing from domestic violence.***
